

# FULLY INTEGRATED SOLUTIONS FOR IHG

FreedomPay's best-in-class, [fully-integrated payments solution](#) for IHG is currently installed at locations such as Crown Plaza, Holiday Inn, Even Stay, Intercontinental, Indigo and Kimpton.

FreedomPay's Commerce Platform can be easily deployed onsite or remotely to a single site or across an entire enterprise instantly enabling chip card acceptance and PCI Validated Point-to-Point Encryption (P2PE), significantly enhancing cardholder data security, removing your environment from PCI Scope, and reducing assessment requirements along with many other benefits. As a part of FreedomPay's award-winning lineup of products and services, merchants can leverage FreedomPay's fully integrated PCI-validated P2PE solution, featuring a proprietary device integration library that allows IHG merchants to choose from a wide range of supported "plug-n-play" payment devices, letting them create the solution that is right for their environment. FreedomPay also offers additional features such as gift card support, least cost routing and AMEX Direct.
